\( \text{N-Gt} \)
```

### Verse

```
Oh when will You be free. My pretty little
girl. To come and go with me.
```

```
As
```

```
```
the day grows longer now. See the bird upon the branch. See the leaves upon the tree.

Won't You let me show You how. My pretty little girl. To the moon the sun shall bow.

But as the day grows longer. Where are You now.
